

Colorado Government Finance Officers Association
Education Seminar
Intermediate Public Sector Accounting

Friday, April 23, 2010 9:00 AM – 4:00 PM
Montrose County School District Board Room
930 Colorado Avenue Montrose, CO 81401

Course Description: The seminar is designed specifically for those participants who have accounting experience. However, it will be of benefit to those who have a limited knowledge of governmental generally accepted accounting principles (GAAP). There will be a general review of the governmental environment, the basis of accounting, financial reporting model and the annual financial reporting. The major focus of this seminar will be on how to take the financial information presented in the financial statements, analyze the information, and make decisions based on the your analysis.
