CGFOA is pleased to offer a series of Roundtable Discussion sessions around the state. Sam Mamet or Mark Radke of the Colorado Municipal League will facilitate a roundtable discussion on Amendments 60 and 61 and Proposition 101. Additionally, Kutak Rock will have an attorney at each session to answer questions and assist in the roundtable facilitation. The session will open with a brief presentation from CML followed by a participant roundtable discussion on the template. We anticipate these roundtable sessions will help ensure the impact of these Amendments is being counted in the same way all across the State. The *Template*, a *Frequently Asked Questions and Answers Document*, and a *Kutak Rock Analysis* is available on the CGFOA web site at <http://www.cgfoa.org/issues.htm>. Please bring your completed Template and any questions or comments you may have to the Roundtable session. This session will provide attendees an opportunity to have questions answered on interpretation and will provide some guidance in developing estimates when certain data is not readily available. It will be an interactive session and participants will be able to discuss the specifics of the ballot issues and be asked to share what they are considering doing to address the requirements of the three initiatives.
